

TECHNICAL DATA SHEET

The Good Oil - Premium penetrating lubricant and protectant.

New standard in efficiency, safety and environmental care.

Revolutionary, renewable, plant based formula - no petroleum ingredients

FEATURES

- Unequaled penetration
- Low surface tension
- Highly efficient, lubrication
- Non-drying
- Non-flammable
- Non-hazardous
- No petroleum smells - Non-fuming
- Renewable plant based technology

BENEFITS:

- Seeps into the most difficult areas
Loosens corroded and frozen parts – quicker, easier
- Displaces and drives away moisture
- Reduces friction
- Maintains its lubrication and corrosion protection
- Fire safe for extra workplace protection
- Work safely under all conditions
- Safe for confined spaces and continuous contact
- No environmental impact
No Global Warming Potential
No Ozone Depletion Potential

APPLICATIONS:

Hammersley's Good Oil is an excellent choice for a myriad of industrial, commercial, automotive and marine purposes. Unrivalled for penetration, lubrication, corrosion neutralisation, protection and safety.

- Mechanical Equipment
- Rusted parts
- Bolts, nuts and screws
- Ignition systems/distributors
- Roller doors
- Trucks and tractor parts
- Engines
- Sticky mechanisms
- Electronic equipment
- Lawn mowers
- Hinges, windows, chains
- Motor cycles - Bicycles
- Sporting goods
- Marine applications
- Tools

DIRECTIONS

- Apply The Good Oil liberally to rusted or frozen parts and equipment.
- Allow a short time to maximize the effect.
