

MAXIMUM POWER HAND CLEANER

INDUSTRIAL HAND CLEANER FOR MECHANICS & OTHER HEAVY INDUSTRIES, INSTANTLY DISSOLVES GREASE, CARBON, DIRT AND GRIME

Formulated for the removal of the most stubborn soils including grease, dirt, grime, carbon, oil, ink, coal dust, waxes, resins, adhesives, rubber, tile cements, paint, tar, silicone and sealants. The fine pumice scrubbing action removes tough grit from skin crevices.

Suitable for use in: coal mines, garages, motor dealers, manufacturing industries, food processors, engineering works, machines shops, marine and aviation industries, construction companies and any area where hands and skin get really dirty.

- For hands that work hard - Grease, Dirt and Grime
- Fine pumice formula - Cleans Fast
- Contains lanolin esters - Ultra Moisturising
- Active germicide - Kills 99% of Germs
- No harmful ingredients - Gentle on Skin
- Dissolves the most stubborn soils from skin and hands - Quickly and thoroughly
- Leaves a clean, fresh fragrance - Skin comfortably soft, conditioned and protected

DIRECTIONS FOR USE

Pump into hands and rub into skin with a circular scrubbing action. Concentrate on skin crevices and fingernails. Rinse under running water. May be used as a waterless hand cleaner if required.

MAXIMUM POWER HAND CLEANER

MAXIMUM POWER HAND CLEANER is designed for fast effective dirt removal from hands, leaving them fresh and germ free.

Formulated with a fine pumice enhancing your hand scrubbing action to remove stubborn soils with ease including grease, dirt, grime, carbon, oil, ink, coal dust, waxes, resins, adhesives, rubber gasket and tile cements, paint, tar, silicone and sealants.

The ultra moisturising formula contains lanolin emollients which absorb deep into the skin to protect from drying and cracking.
